# R.A.E. CORE REBATE SYSTEM

**STORE**

**TO**

1 Charge  
1 invoice

**TRADE  
CUSTOMER**

**TO**

Old unit returned -  
Freight paid

**RAE**

**Then back to the  
customer**

RAE rebates the customer  
directly

Our system creates

**Less Handling**

**Less Movement**

**Less Core in pipeline**

**Less Storage space  
required**

**Labour Saving**

**No Identification  
Problems**

**RAE Responsible for  
Core Refund**

## PLEASE NOTE

This is applicable only to customers who do not want to handle the exchange core.

We also offer the conventional core charge system to customers who want to handle exchange core if required.
